The ENIK Folding Electric Bike specially designed for travel lovers - Thanks to its outstanding German engineering, it folds up in just minutes!

The 250 watts / 36 volt electric motor on its front-wheel provides driving assistance up to 15 mph (25 km/h), powered by a 36V 8.7A Samsung battery, The battery is located in a special compartment that protects it from the weather and it is chargeable without disassembly. Also, the built-in USB charging port allows you to charge your phone, GPS or tablet.

The LED display allows you to control both the Driving Assist and the front and rear lights. Shimano 3-gear system to further support your travels. Tektro-branded V- brakes let you slow the front and rear wheels separately to aid speed control and stability - and there's a bell to let people know you're there.

- Aluminium Frame
- 250w Motor
- Maximum Speed: 15 mph (25 km/h)
- Range: Approx 31 miles (50 km)
- Shimano Gears
- Folded Size: L 81 x W 37 x H 68cm
